AMAZING ZONE ATHLETICS SUCCESS

A huge contingent of 37 students travelled to Cooma last week to compete in the Zone Athletics Championships. We had a variety of age groups represented in various athletics disciplines. Once again we showed our might, punching well above our weight against the bigger high schools in our zone. At this point it looks like we have about 12 students who have qualified to go on to represent BHS at regional level in Canberra, some students qualifying for more than one event. These students are Katherine Pajuczok, Kayla Jamieson, Keiren Rodwell, Tyler Jones, Daniel Douch, Rowan Miller, Bailey Jones, Adam Rodwell, Kurt Pajuczok, Thomas Regent, Brett Burton and Keiarna Rodwell.

Huge congratulations to all BHS students who made us proud of all their effort last week.

GIRLS LOSE A THRILLING VOLLEYBALL STATE QUALIFIER

Our Open Girls Volley Ball Team travelled to Bega to play Batemans Bay High School in the regional finals in the Volleyball Knockout. The winner of this round would progress to the State Finals at Homebush. Our girls got out to a quick, unassailable lead in the first set and were able to close it out 25-20. They lost focus, however, in the second set and the reverse happened. Batemans Bay had two NSW CHS team members, one of which was able to serve extremely hard. She was able to establish a handy early lead for Batemans Bay. Our girls clawed their way back but unfortunately went down 20-25. The third set was a tightly contested affair with the lead changing many times. Unfortunately the fall of the ball did not go our way and we were defeated 15-13.

Once again the students from Bombala showed their superb sporting skills and great sportsmanship. These girls were a wonderful group of girls to train and they deserved every success that came their way. A huge thankyou to Katherine, Sarah, Kayla, Katie, Jade and Rebecca, our Year 12 girls who have now played their last competitive match for Bombala High. Thankyou girls for your wonderful contribution to sport at BHS.

Absences

School reports will be printed out this week. If your child has been absent and you haven’t explained why – now is the time to do so. If we don’t have a reason for absences, it will go onto the student’s report as an UNEXPLAINED ABSENCE.

You may send in a note, phone or call into the Front Office to explain the absence.

Work Experience Success

A BIG congratulations to Jake McKinnon in Year 12 who has been selected to complete Work Experience with HMAS Albatross in Naval Aviation. This week is 21 July – 25 July 2014. The selection process for this experience is very rigid and he is one of only 15 successful students from all of NSW. Well done Jake and we look forward to hearing all about your experiences in the near future.

Blade Viewing

On Friday 27 June 2014 the community of Bombala will be afforded the opportunity to find out a little more about the enormous turbine components being transported through the town at present. School students who visit will be able to examine a blade up close and a representative of the Boco Rock Wind Farm will tell them about the wind farm and its components.

A blade will be temporarily parked adjacent to the Community Centre/Library entrance. Bombala High School students and staff will walk down about 12.20pm on Friday and, after the viewing and presentation, a barbecue will be provided at the Community Centre. This will be a fun end to the term and we look forward to fine weather on the day. Thanks to the Boco Rock Wind Farm for their initiative in providing our community with this opportunity.

40 Hour Famine 2014

I am participating in this year’s Rwanda 40 Hour Famine Appeal. I am concerned about this issue and hope others will see my point of view and join me in this experience.

The 40 Hour Famine Appeal is where you give up something you choose for 40 hours. There are kids my age who are having to be the mum or dad in the family because both of the parents are out working for just a little bit of money or one of the parents has died. So that is why I would like others to join me so that families like that don’t have to suffer and the babies can have full stomachs like mine. To participate you have to choose what you will give up. Your choices are: Food, furniture, technology, transport and shopping. To show what you want to give up you can take a selfie and post it on Facebook, Twitter and Instagram using #40hourfamine.

$1000 feeds 12 people for 1 year, $40 feeds a family of 6 for 1 month. If you are interested in doing this as a group or individual then come and see me. For further information about this topic go to: www.40hourfamine.com.au.

NATIONAL HOODIE DAY 2014

What is National Hoodie Day?

National Hoodie Day is AIME’s winter fundraiser. It’s a chance for the whole nation to don an AIME hoodie and support more Indigenous kids to finish school at the same rate as every Australian child. Every limited edition AIME hoodie sold will bring us closer to working with 10,000 Indigenous kids across Australia by 2018. National Hoodie Day will be held on Friday 11 July, 2014.

Why the AIME hoodie?

“In 2010, AIME launched National Hoodie Day to spread the word around Australia that Indigenous equals success. In the five years since, the AIME hoodie has evolved as a powerful symbol. A symbol for black and white coming together. A symbol for belief. A symbol for change. A symbol for a generation of future leaders who strive to create a culture where for every step you take forward in life, you throw your hand back and bring someone with you. And beyond all, a symbol that inspires us to be better tomorrow than we are today.”

-Jack Manning Bancroft, CEO and Founder

Hoodies at your school?

We are offering all schools in the AIME program a 10% discount on orders of 10, 20, 30, or 50 hoodies. Smaller numbers will be at RRP.
