First emergency drill for 2015 a success.

Tuesday morning all students, staff and visitors participated in a surprise evacuation drill.

Triggered by a continuous ringing of the school bell, the drill is part of an ongoing program of evacuation and lockdown drills.

They are designed to ensure the safety of everyone involved with our school, including visitors and contractors who may be on site.

Guided by their teachers, students were required to move quickly and calmly to their designated evacuation points for immediate roll marking.

The process was overseen and recorded by Ms Shelley and some of her senior students, offering valuable feedback and discussion on the success of the drill.

Further drills will occur throughout the year as we continue to improve student safety.
Monaro Education Fund awards scholarships to local students

Last Tuesday night, 11/2/2015, saw three of our 2014 HSC students receive scholarships from the Monaro Education Fund at a presentation ceremony held in Cooma.

Katherine Pajuczok, Katie Peisley and Keiren Rodwell all received scholarships which will assist them in their studies in 2015.

The Monaro Education Fund are great supporters of our Bombala students with many students from Bombala High School receiving funds to assist them in their post school training, whether that be University or TAFE.
