Myanba comes up trumps at Athletics Carnival

Only 15 house points from first to third place

After a very cold and frosty start to the morning the school students began the day with organised activities, including tug of war in the hall, which were organised by Ebony Ingram. The school purchased the rope from monies raised @ ‘wear your flanny day’. Fantastic job, Ebony!

Myanba came up trumps with 634 points, closely followed by Rockton on 624 and Nalbaugh finished with 619 points. What a close competition!

Annie McGrath and Kurt Pajuczok attempted to break the high jump records in the open category, but were not successful.

The girls under13 age group put in a mammoth effort with a high participation rate across all events for the day and displayed the BHS value of personal best. Well done girls!

It was lovely to see an increased number of parents, including many dads to watch their children participate.

Thank you to Year 10 for an awesome job with the BBQ.

Congratulations and well done!

Absent: Karter Hampshire, Keiarna Rodwell and Janine Jamieson
At BHS we have been running a short-term program, in which three students from our current Year 7 plan and participate in a shopping program over a number of weeks. This involves using real-life consumer situations, for example, planning and budgeting for a sleepover or choosing the appropriate parcel/envelope for posting.

On Thursday last week, our group visited the CBD where we purchased some goods for a teacher, briefly visited the post office and then continued on to the supermarket. The boys involved each had a list of items that they would purchase in a real-life situation. They were able to identify and price the goods and compare prices to fit their given budget, which was achieved.

To develop our social skills, we finished our trip by having a well-earned break enjoying a malted milkshake and a small treat over a discussion about how well we met our shopping goals. The boys’ comments involved appreciation for ‘learning outside the classroom’ and being able to find better prices for their goals.

This week in Careers (Week 6 Term 2)

YEAR 10 LINKS TO LEARNING PROGRAM

Our 5 Year 10 students participating in this valuable program were back on board this week. They had another very successful session and yesterday attended an excursion to Canberra with the Jindabyne and Monaro participants. A full report will be in next week’s newsletter.

TASTE OF TAFE

TAFE NSW-Ilawarra Institute in conjunction with the school is pleased to invite students in Years 9-12 to a TAFE Open Day at the Cooma Campus on Wednesday 24 June 2015. The day has been organised for any students who may be interested in completing a TVET course in Years 11 and 12 as part of their program of study as well as exploring post school options for senior students.

The cost will be $5:00 per person to cover our school bus. A BBQ lunch will be provided by the Cooma Campus.

Interested students will choose to attend 2 hands on sessions in: Building and Construction, Trades and Technology, Human Services, Rural Studies and Tourism.

Interested students will receive information on assembly this week. Please do not hesitate to contact me if you require any further information.

2018 UNIVERSITY ENTRY REQUIREMENTS

The school has received 6 copies of this guide which outlines the requirements for university entry in 2018. It includes worksheets (which we will work through as HSC subject selection nears), information about the HSC and ATAR as well as institution requirements. If you would like to borrow a copy and have a look through, please come and see me in Careers.

Campus open day information.

**Work experience update**
Last week Ana Ponsford of Year 11 completed a week of work experience at the Karl von Busse Institute of Design in Sydney. She is very interested in pursuing design after school and this was a great week for her. I have included her glowing reviews from the Institute and we can’t wait to see her portfolio when she returns:

Good Morning,

Just a quick email to thank you for allowing your student Ana Ponsford to attend our work experience program this week. Ana was a lovely girl and we thoroughly enjoyed her time here with us. I hope that you get to see the portfolios that she put together while here. It is wonderful to see the work experience students achieve such wonderful results in such a short space of time. Ana was also required to present her portfolio of work to San San and myself. Yourself and your school should be proud of her efforts. She is indeed a credit to your school.

Thank you again and we look forward to seeing more of your students in the future.

Renee Bowman
Student Services

This week Teri Roberson, Year 10, is completing a week with Jindabyne Sport and Recreation.

I am sure this will be a great experience for her and Teri will also do our wonderful school very proud.

If anyone has any queries about work experience, please drop in to the Careers office or contact me on 6458-3358 or 0409 556 813.

**IN2UNI PROGRAM – UNIVERSITY OF WOLLONGONG**

Today saw our first sessions for Years 10-12. Mentors from the Bega campus of UOW deliver each program which gives students a completely different experience. The sessions ran as follows:

Year 11 Bootcamp: Provides a heads up for the HSC and help preparing for senior studies.

Year 10 Future Finder: Focuses on increasing student awareness of tertiary pathways.

Year 12 Road to Success: Focuses on early admissions, scholarships and alternative entry.

These sessions are invaluable and we would like to take the opportunity to thank UOW for their support of our school. We will include a full report in next week’s newsletter.

**UPDATE ON EXTERNAL COURSES**

**RSA**

Many of our students have registered for this course on Monday 1 June 2015 to be held at the Bombala RSL auditorium from 4.00 pm – 10.00 pm. The cost is $170.00 which is payable prior to the course at www.tcts.com.au or phone 1800 706 306. Payments can also be made on the evening of the course by cash only (sorry no cheques on the evening).

Just a reminder that if you haven’t got a USI number you need to register for one. Please visit www.usi.gov.au and record your number to take with you on the evening of the course.

Please note that because students are attending a training course at the RSL any students under 18 are permitted to dine in the auditorium if they wish.

For further information please contact Heather at the Club or myself.

**CONSTRUCTION WHITECARD**

This course will be running in conjunction with Jindabyne Central School and it is our turn to travel to them. The date has been set for Thursday 16 July 2015 (Week 1 Term 3).

Permission notes will be distributed to students who expressed an interest and the cost will be $132.00 including the course and to those school bus travel.

Please note that we can only take 10 students at this stage so first in best dressed!

**SENIOR FIRST AID**

We certainly have the numbers for this to run and we are just in the process of negotiating a date. This course will run at school and the cost will be $120.00 per student (discounted from $165.00).

I will organise paperwork when the date is finalised.

Donna Shelley, Careers
