Money raised exceeds all expectations

2015 Biggest Morning Tea

Last Thursday, Bombala High School held a Biggest Morning Tea in the hall to raise money and awareness for the Cancer Council of Australia. Each year group had their own stalls, selling their own morning tea goodies for a great cause.

Year 9 were the most profitable year group raising $160. In total $517.75 was raised. A massive thank you must go out to all the parents and students who made food for our biggest morning tea.

Also, a huge thank you goes to those of the community who had time to join us and donate to this worthy cause.

We hope to make this an annual event and continue to make it a Bigger Morning Tea next year.

A short note…
Today’s newsletter is brief as a result of changes to our technology network which will be completed this week.
Students carved up the slopes at Smiggins Holes last Friday

On Friday 21st August 12 students, 2 teachers and 2 parents/family members joined with the Bombala Primary School on a trip to Smiggins Holes for a day of Snowboarding. The rain held off and allowed everyone to enjoy a day of carving up the slopes and regain confidence on the snow and learn a few new tricks.

Thanks to Matt and Simon, the Perisher snowboard instructors and to the primary school for allowing us to hitch a ride for the day. If the snow continues to fall there is an opportunity for another ski day in Week 8, this will be subject to numbers and the conditions at the ski resort.

I'd like to thank Miss Jessie Adams for arranging the trip and to the students that attended for their superb conduct on the day. Positive comments were made on how lovely the High School students were and they were commended on their manners and maturity throughout the day.
